

Everyone is in Ames except for Ross

BOM has been submitted as of last Wednesday (March 18)

ETG is working from home. We should contact them to see what they want to do to get us our order

Next semester: IRBs were already going to be partly remote. If social distancing continues, CprE 492 should not be negatively affected.

Zoom is a good tool for recording your screen (meeting with no one else)

OpenBoard is a good way to get an on-screen whiteboard.

Meet next Thursday at 2 pm (April 2)

Contact ETG about parts delivery method

Individual Meeting at 3 pm on Thursdays (starting March 26)
